Together with the Mayor of Paris, we wanted the Paris 2024 Olympic and Paralympic Games to be a moment of popular celebration and bringing together community, and at the same time, opportunities for young people.

In this spirit, at the crossroads of Olympic and Paralympic values and the aspirations of youth, *Quartier Jeunes* offers a rich and diverse program throughout the summer.

From a sports career forums and masterclasses with renowned athletes aiming for excellence, to workshops and meetings with young Talent 2024 awardees for inspiration, and of course, sports activities and challenges to embody determination in the spirit of friendship and respect, QJ will be a place to have fun, create, and find or rediscover yourself this summer.
