

A colorful, hand-drawn illustration for a festival poster. The background is a light orange. At the top left is a yellow sun with rays. In the center, three pink musical notes float above a large pink oval containing the text 'FÊTE QR' in blue. To the right is a yellow duck with a smiling face. Below the duck are three yellow wavy lines representing water. At the bottom right is a green palm tree with a yellow trunk. A string of yellow and orange diamond-shaped lights hangs across the middle. Below the lights is a red and brown gazebo-like structure. At the bottom left is a green box with three green circles inside, next to a white star. The overall style is whimsical and childlike.
